

COMPUTER / INTERNET AGREEMENT FORM

This form is to be completed by all students in order to use the Liberty-Benton Local School District computers.

The Liberty-Benton Local School District Computer / Internet Guidelines are listed on page 8 of the Liberty-Benton Middle School Handbook. This policy covers what students may and may not do while using computers and/or the internet at Liberty-Benton Middle School. The students will need their parent's/guardian's permission to use the internet. We are asking that you go over the policy with your student and then sign this form giving your permission to use the internet. If you do not want your student to use the internet, they will not be allowed to use it. We do have a filter on the internet which does not allow the students to go to objectionable sites. However, it is not always perfect.

My signature below indicates that I have carefully read and gone over the policy with my son/daughter. By signing this form, I am giving my permission to the use of the internet while at Liberty-Benton Middle school.
