2. There will be a **Post Secondary Enrollment Option (PSEO) meeting** for students and parents interested in taking **college classes** while in high school on **Monday, February 9** (*note the date change*) at 7 p.m. in the HS Commons. **THIS MEETING IS MANDATORY FOR 1 PARENT AND THE STUDENT IF HE/SHE IS INTERESTED IN PARTICIPATING IN THE PROGRAM FOR THE 2009-10 SCHOOL YEAR.**
3. **Buckeye Boys/Girls State Applications are now available.** These week-long summer camps are sponsored by our American Legion Post, and are designed to educate Ohio's youth in the duties, privileges, rights and responsibilities of good citizenship. By getting involved in the process, delegates learn more about City, County and State Government in one week than they will learn in an entire semester of high school. Boys State will be **June 13-21, 2009** at Bowling Green State University, and Girls State will be held from **June 14-20, 2009** at Ashland University. Last year's participants were: [Dave Osterholt](#), [Jeremy May](#), [Anne Koesters](#), [Tina Roessner](#), and [Britney Metzger](#). Mrs. Kaiser has applications and informational brochures for any interested students. All applications are due in the guidance office by **March 5, 2009**. Buckeye Boys/Girls State Delegates are also eligible to participate in the **United States Senate Youth Program's "Washington Week"**. This program offers two students delegates from each state the opportunity to be immersed in Washington activities. All expenses are paid by the Hearst Foundation.
4. **ASVAB Career Inventory** Results will soon be presented to **all juniors** who took the December battery of tests. These results can be very helpful to students looking for some direction for their future occupation. Representatives from the military will come to assist students with interpretation of the results during English class.
5. **All students: Be sure to log your service hours and activities!** This will be extremely helpful to you when filling out scholarship, job, and college applications. These hours can also be used for induction into National Honor Society. Forms are available in the guidance office.
6. **Seniors:** have you met with Mrs. Kaiser to discuss your future plans after high school? If not, stop by the Guidance Office!

Jobs:

7. **Sollmann Electric Co., Sidney** is interested in giving employment to **students who plan to become electricians or be involved in the electrical trades upon completing high school.** They would like to have the students work for their company through the year, then attend an electrical trade school in the fall with the intent of becoming qualified electricians. Miscellaneous:

12. **All students who plan to go to college should take a college entrance exam.** An ACT (or SAT) test score is a requirement for admission to many colleges and universities. In general, colleges in the Midwest prefer applicants to take the ACT, while those on the coasts prefer the SAT. Many colleges accept either the ACT or the SAT. **FRHS students usually take the ACT (1-3 times).**

<u>ACT National Test Dates 2008-2009</u>	<u>Registration Deadlines</u>
February 7, 2009	January 6, 2009
April 4, 2009	February 27, 2009
June 13, 2009	May 8, 2009

READ THE FOLLOWING REGARDING THE ACT:

****Students can register for the ACT via paper packet or online at: www.actstudent.org. Our CEEB code is 362-165.** If registering online, be sure to complete the process in one sitting (approx. 25 minutes), or your session may “time out”. You must use a credit card to register online.

****Be sure to include 4 colleges to receive your score report with your registration!** Students can send their scores to 4 institutions for FREE. **Some colleges will only honor ACT scores directly from ACT** (Ohio State, Miami University, Ohio University, and the NCAA Clearinghouse are examples). There is no harm done if you send your ACT scores to a college that you will not be attending. However, if you *don't* send them to a college you plan to attend it could cost you money later. (*Online Registration:* this can be found on the screen titled: “Your Score Report Choices”, click “add a choice” and be sure to “select” the college choice. *Paper Registration:* see block “O”.)

****I strongly encourage students to take the optional “writing” portion of the test one time.** There is no need to take the writing portion more than once.

****if you are on an IEP/504 Plan and would like special testing accommodations for the ACT (i.e. extended time), you must see Mrs. Kaiser well in advance of the registration deadline to file your paperwork.** You will need to register via a paper packet.

****Students may take the ACT at any time: you need not be a junior or senior.** Younger students sometimes take the ACT for the purpose of practicing and studying for future tests. The following are the times I suggest students take the ACT: **Seniors** should take the October (and December?) ACT. **Juniors** should take the ACT for the first time in February, April and/or June.

**** Fee Waivers** are available for the ACT...check out the details on the website to see if you qualify: www.actstudent.org

**** Beware of internet sites, phone calls, etc. that require payment for practice test materials.** There are plenty of FREE study materials available to you. Practice tests are available in the guidance office and online.

***Hints for the ACT:** Take challenging classes, and STUDY FOR IT! Pace yourself, and don't leave any questions blank (it is to your advantage to guess).

A brochure can be found at <http://www.caresource-cbi.com/pdfs/cbi/oh/SolicitationBrochure.pdf> which includes income requirements, covered services and associated costs.
