

Effects of Specific Situations on W2 Reporting

This document describes the affects of situations a district may have on W2 reporting. ***Please refer to the IRS W2 Instructions for more detailed information on each of these situations. If in doubt, please contact your legal or tax professional regarding specific situations.***

Note: The items listed here in bold italics affect balancing between W2PROC and QRTRPT. These items will cause the total gross on W2REPT to be higher than that found on QRTRPT as they apply.
