Countweek Transportation Days: Monday (through Friday)

**DID YOU
KNOW?**

The New Grid and New Standards Based Grid in Progress-Book GradeBook are auto-save screens. You can change your Grid page preference on the top right of the GradeBook Grid and Standards Based Grid screens. The classic Grid pages will be eventually phased out.

JVS Marks and Attendance

If we have not yet imported your 1st Semester JVS marks and/or attendance and you would like us to, please send an email to student.support@noacsc.org.

Open Labs and Trainings

Need scheduling assistance? Or, assistance with attendance or any other items? Our Friday open labs are perfect for one-on-one or small group sessions on the topic of your choice.

Do your teachers need a GradeBook Refresher? Or, do you have any large group training needs at your district? We can schedule trainings at your district as needed.

Please submit all open lab and training requests to student.support@noacsc.org

SYI Surveys

Reminder: You do not need a finalized calendar to be initialized, and not all buildings in a district need initialized at the same time. We work on initializations in our office based on the date of survey received, so we recommend you send in your survey based on when you need to begin scheduling for the upcoming school year.

The initialization survey can be found on our NOACSC website under Student Services.

**The NOACSC Office
will be closed February
18th for Presidents'
Day.**
