

NOACSC

NORTHWEST OHIO AREA COMPUTER SERVICES COOPERATIVE

Third Party Vendor

Account Authorization

Third Party Software integration with State Software requires the creation of a username/password and URL to access the DISTRICT's data.

NOACSC will create the account and provide the username/password to the following vendor(s):

_____(VENDOR NAMES) will be given access to your district's State Software for PAYROLL/USPS.

_____(VENDOR NAMES) will be given access to your district's State Software for ACCOUNTING/USAS.

This form will serve as authorization for NOACSC to create a third party access account.
